Dear Friends,

**Rudrapatna Sangeethotsava Samithi Trust** has been organising music festival every year since 14 years at Rudrapatna. Rasikas from all corners of Karnataka will come and attend the Sangeethotsava. It has been our practice that who ever comes, we offer break fast, Lunch as well as dinner. Irrespective of caste, creed, religion. We offer very tasty and healthy food for the reason that there is absolutly no other alternative in that village. Now we have been Accomodating hundreds of Sangeetha Rasikas by putting truss pendal with steel dining table and chair facilities. We now feel that it has become very expensive for truss pendal and all other dining facilities. Keeping in view of all these problems,

*Trust has a big but needy project of building a dining hall and rooms with attached bathroom facility.*

Now, We will not be able to provide even basic needs to the artists, which is really embracing. Hence rooms have become very

essential. Dining capacity will be around 200. Trust has its own plot measuring 30' x 96' adjacent to Ramamandir, Where all music concerts take place. It is our desire to have our own 25KVA Generator so that we will not be disturbed by power failure. It is absolutely necessary to provide these basic facilities to sangeetha resikas who visit this village every day in hundreds. There is also a proposal to extend. "**Niranthara Annadana Seva**" to all the visitors every day for which a corpus Fund need to be established. These are very much needed to convert this Sangeetha Grama as

**"Music Pilgrimage Center"**

We appeal to you all to contribute liberally for this noble cause.

We have a target of completing this project before May 2016.

Our Rudrapatna Sangeethotsava Samithi Trust is a registered trust under trust act. Trust has 80G facility. We submit Financial returns every year to I.T. Dept. It has been registered under 12A in IT Dept.

**Please Extend your helping hand.**
