ಎಂದೇ ಪ್ರೀತಿಯ ಸಂಕೇತಿ ಬಂಧುಗಳಿಗೆ NASA ಸದಸ್ಯ ಸಮಿತಿಯ ಪರಮಾಯ್ಷಿ ದಿವಾಕರಂದೇ ನಮಸ್ಕಾರೋ. ಪುನಃ
ಆಂಗ್ಲ, ಲಿಂಗಿ ವರ್ಷಕ್ಕೆ ಶುಭಶಯೋ...

My Dear Sankethis & friends of Sankethis,

Happy 2016 New Year to you all.

Trust you all had a very good year so far and hoping to have a blast in 2016...

We have some exciting program opportunities for our 2016 Annual Get-together potentially including a Cruise! We are also thinking of an Award ceremony to recognize fellow North American Sankethis, and producing a Telephone Directory.

For the past few years some of you have been asking about a special "NASA Cruise" and this time we are planning for one! Details about the Cruise are in this edition of Chiguru. We are considering holding our annual GBM on July 3, 2016 in Orlando.

This issue of Chiguru contains a new column: "News from India". Please share interesting news from the homeland. Share achievements of your relatives and key events, so that we can include them in our new column.

In efforts to continue our active communication with you, please update your contact information by sending your contact info by Feb 29, 2016 to Ranjini Srikantiah - (ranjini@alum.mit.edu). We are considering printing a NASA Telephone Directory exclusively for community socializing purposes and not for any Commercial or Business use. If you do NOT wish to have your name published in the NASA Telephone Directory please let Ranjini or Divakar know as soon as possible. If we do not hear from you regarding exclusion or corrections, we shall include the information existing in our files.

May GOD continue to bless us all in this year, next year and forever.

Regards,

Divakar Rudrapatna
Dasa to NASA (Always at the service of Sankethis)
NASA – President (2014-16)

3. NASA 2015 Regional Events

In November, a Regional Event to celebrate Deepavali was well enjoyed by those in and around the Toronto Ontario area. The evening was filled with fun, food and entertainment beginning with a 'Meet & Greet' where all participants were introduced to each other, followed by a speech on Bali Chakravarthy and rituals by Mr. Naganarayana. Soon after, our president, Divakar performed Balindra pooja and then directed our young girls to conduct Varadhurbe and receive 'kumkuma'. Then after a few rounds of competitive Sankethi charades, taboo and improvisational activities, we all had a sumptuous meal consisting of special and traditional dishes such as Chomai, Ambode, Urvattalu, Obbatu and Paayisa. The deepavali evening was completed with a display of fireworks and marked with ladies wearing the traditional Sankethi "Ghandi Cheerey". It was wonderful to meet, greet, eat and interact with our fellow Sankethis in Toronto. A special thanks to all our volunteers including: Girija, Balu, Chitra, Sriresh, Megha, Anitha, Radhika, Prerana, Savitha, Subbaramu, Gayatri, Pushpa, Nandini, Divakar and Suresh for all their help and efforts in making this event a success.

4. Health Corner

One Sunday morning when I was working in the Emergency room, a patient had walked in at 7 am with a complaint of sore throat. On deeper questioning he also had some jaw pain. When an electro cardiogram (EKG) was conducted, It revealed that he was having a heart attack (Inferior wall myocardial infarction) and appropriate treatment was given.

Classically patients with heart attack experience chest pain/discomfort /chest pressure and even difficulty breathing. Some times it can present with subtle symptoms such as jaw pain, pain in the left arm, a feeling of uneasiness and indigestion or dizziness which can't be ignored. Particularly for people with Diabetes, even subtle symptoms should be attended to quickly.

Again, prevention of problems by decreasing cholesterol intake and increasing exercise are key to maintaining normal weight, blood pressure and sugar levels.

Brilliant cardiologists in the community please come forward and share your thoughts.

Reminder: It is time for the annual flu shot, updating pneumovax, & Shingles vaccine!!

Have a safe winter.

Warm regards,

Amrutha Viswanath.

5. Fun and Festivals – Maha Shivrathri – 8 Mar 2016

Reference: <http://www.astrosage.com/festival/shivratri/>

Maha Shivaratri is the festival celebrated in the honor of Lord Shiva. In accordance with the Hindu mythology, the occasion of Maha Shivaratri depicts the wedding of Goddess Parvati and Lord Shiva. Shivrathri also means the “great night of Shiva”. It is believed that throughout this night, Lord Shiva performed 'Tandava Nritya', which is the dance of primordial creation, preservation and destruction.

The celebrations of Maha Shivaratri begin at sunrise and continue to the next morning. On this special day, devotees visit temples and offer prayers to the Lord Shiva to fetch the blessings for well being and good fortune. Many followers of Shiva pray through the night and also observe Shivaratri Vrat (fast) during the day. The Maha Shivaratri celebrations are considered to be the sign of dedication and spiritual passion. It is believed that the people who fast on this day get liberated from the cycle of birth and death.

In accordance with the Hindu Mythology, observing the fast on the day of Maha Shivratri is considered to be the most powerful among all other fasts. Tamas Guna, which signifies the quality of inertia and Rajas Guna, which signifies the quality of passionate activities; are the two natural forces that highly bother a human being. Mahashivratri Vrat (fast) enables a person to keep a control over both of them. It is believed that if a person worships Lord Shiva with complete devotion on the occasion of Maha Shivaratri, his actions get controlled and the negative thoughts like jealousy, anger and lust that comes up due to the 'Rajas Guna' gets controlled.

Another essential part of Maha Shivaratri is bathing the Shiva Lingam. On this day, devotees begin their fast by bathing the Shiva Lingam with Milk, Honey, Sugar, purified Butter, Kale Til (black sesame seeds), Ganga Jal (holy water of river Ganga) and some fresh flowers. Then, devotees apply Chandan Tilak (sandalwood paste) with some rice on the Lingam. Devotees also offer fresh flowers and fruits to the Shiva Lingam.

Maha Shivratri is associated primarily with the story of churning the ocean.

The 'churning of the ocean' or 'Samudra Manthan' was a detailed procedure to bring Amrit (the elixir of immortality) out of the ocean of milk. In Samudra Manthan, Mount Meru, which is also known as mount Mandarachala, was used as the rod for churning; and the churning rope was the King of serpents, named 'Vasuki'. At the time of Manthan (churning), the demons wanted to hold the front of the snake and Lord Vishnu wanted the demigods to hold the snake's tail. When churning, the fumes that came out of the snake's mouth poisoned the demons. Despite the poisoning, they continued to pull the snake's body in the back and forth motion. This motion came up with the rotation of mount Meru and ultimately the churning of ocean took place. After that, Lord Vishnu came up in the avatar of a turtle and saved the mountain from getting drowned into the ocean by taking up all its weight on his back.

This churning process made a lot of things rise out of the ocean, including a lethal poison. When the poison surfaced, the demons and gods became terrified by the power of a poison that could contaminate the entire ocean. In order to save the world, Lord Shiva consumed this poison and kept it in his throat, due to which his neck turned blue in color. This is the reason for which he was named as Neelkantha (the one who has blue neck). After the poison had been contained, the Amrit (elixir of immortality) that everyone desired surfaced.

This is the Kathe of Samudra Manthan and contribution of Lord Shiva in saving the world from lethal poison.

Happy Maha Shivaratri 2016!

ಬಾಲ್ಯದಲ್ಲಿ ಹಾಸೊದ್ದಿದ್ದ ಬಡತನವನ್ನೇ ಸವಾಲಾಗಿ ಸ್ವೀಕರಿಸಿ ಜೀವನದುದ್ದಕ್ಕೂ ನಿಷ್ಠೆ ಪ್ರಾಮಾಣಿಕತೆಯಿಂದ ದುಡಿದರು. ಗುರಿ ಮುಟ್ಟುವವರೆಗೂ ದುಡಿದರು. ನೂರಾರು ಕೋಟಿ ರುಪಾಯಿ ಬೆಲೆ ಬಾಳುವ ಶಿಕ್ಷಣ ಸಂಸ್ಥೆಗಳನ್ನು ಕಟ್ಟಿದರು. ಕೊನೆಗೊಂದು ದಿನ ಈ ಆಸ್ತಿ-ಪಾಸ್ತಿಯನ್ನೆಲ್ಲ ದಾನ ಮಾಡಿ, ಪರೋಪಕಾರಿ ಶಬ್ದವನ್ನಲಂಕರಿಸಿದರು.

ಇವರೇ ಶುಕ್ರವಾರ ರಾತ್ರಿ ಇಹಲೋಕ ಪ್ರಯಾಣ ಮುಗಿಸಿರುವ ಅಖಿಲ ಕರ್ನಾಟಕ ಬ್ರಾಹ್ಮಣ ಮಹಾಸಭಾ ಅಧ್ಯಕ್ಷ ಬಿ.ಎನ್.ವಿ. ಸುಬ್ರಹ್ಮಣ್ಯ (74). ಜ್ಯೋತಿ ನಮೂಹ ಶಿಕ್ಷಣ ಸಂಸ್ಥೆಗಳ ಮಾಲೀಕರಾಗಿದ್ದ ಇವರು ದಾನದಲ್ಲಿಯೂ ಶೂರರು. ಜೀವನದುದ್ದಕ್ಕೂ ಅದನ್ನೇ ಮಾಡಿಕೊಂಡು ಬಂದಿದ್ದ ಅವರು ಪತ್ನಿ ನೀತಮ್ಮನವರ ಜೀವನಕ್ಕೆ ಎಷ್ಟು ಬೇಕೋ ಅಷ್ಟನ್ನು ಮಾತ್ರ ಉಳಿಸಿ, ಸುಮಾರು 300 ಕೋಟಿ ರುಪಾಯಿ ಬೆಲೆ ಬಾಳುವ ಶಿಕ್ಷಣ ಸಂಸ್ಥೆಗಳನ್ನು ಶೃಂಗೇರಿ ಶಂಕರಮಠಕ್ಕೆ ಉಯಿಲು ಬರೆದು, ಇಹಲೋಕದ ವ್ಯಾಪಾರ ಮುಗಿಸಿದ್ದಾರೆ.

ಸುಬ್ರಹ್ಮಣ್ಯ ಅವರಿಗೆ ಅಂತಿಮ ನಮನ ಸಲ್ಲಿಸುತ್ತಿರುವ ಕೇಂದ್ರ ಸಚಿವ ಅನಂತ ಕುಮಾರ್ ಮತ್ತವರ ಪತ್ನಿ ತೇಜಸ್ವಿನಿ ಅನಂತ ಕುಮಾರ್, ಶಾಸಕ ರವಿ ಸುಬ್ರಹ್ಮಣ್ಯ.

8. Things to Ponder –

LOVE AND HATE

By Jai Rangappa

Love one and all, do not hate,
We are all on the same plate,
No need for a venomous hate,
Wisdom often dawns little late.

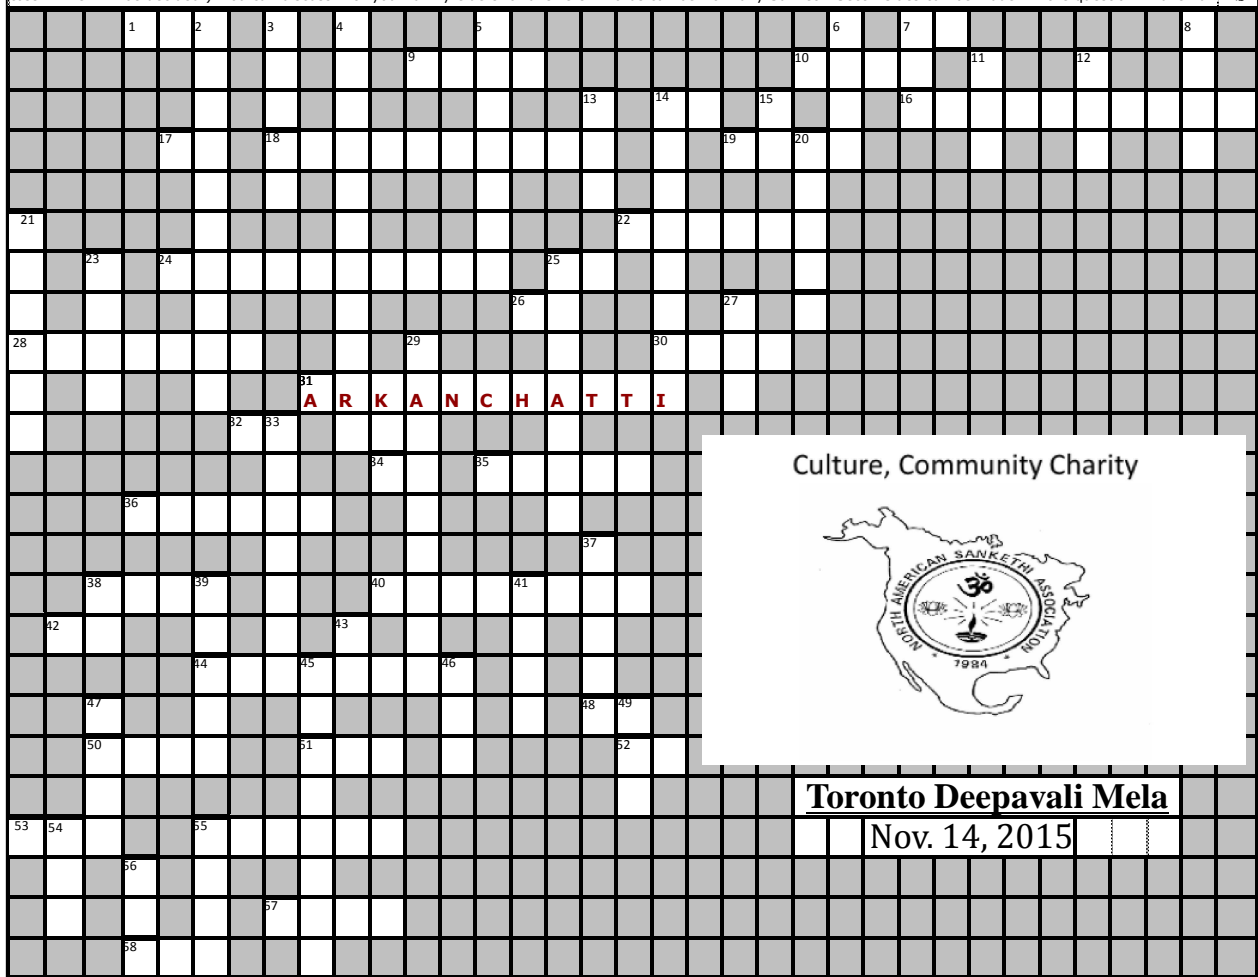

Came to sense, Skakespeare's Kate,
As she let go of her anger and hate,
With the good Lord as her soul mate,
Compassion brings all to heavens gate.

Before long we will be in body crate,
Which is everyone's ultimate fate
To reach the Hell or Heavens gate,
Why be angry and not communicate.

God bless all friends, enemies to date,
With the good Lord as a guiding mate.
